

At DynaQuip, we certify that all of our catalog products are in compliance and conform to the European Union's Restriction of Use of Hazardous Substances in Electrical and Electronic Equipment (RoHS) Directive 2002/95/EC and 2011/65/EU (RoHS2).

All products supplied by DynaQuip will have less than the RoHS limits listed below for the seven designated restricted-use substances. This Declaration is based upon our analysis, vendor supplied analysis or material certifications, and/or lab test results of the component raw materials used in the manufacture of DynaQuip products.
